Find use for the CPA funds. Morris will ask Bonnie Burr about possibly doing a scholarship for 4H. We can also reach out to FFA and look to sponsor things like the Egg Quality School. CPA will come up with new rules for scholarships and funding. Not sure scholarship opportunities for UConn students still exist as there is no more poultry major.

Next round of AEB funding, literature for Hillandale

Fair season still in question, not sure if poultry is being allowed as of right now

Avian Flu numbers are way lower as of June 1st. Still some detections, nothing near Connecticut. The migrations seem to be coming to an end, but folks still need to be vigilant. Our largest egg producer, Hillandale, has had no issues. Baffoni's in Rhode Island has had no issues either.

**New Member Recruitment** - Still in the works

**Next Meeting** - TDB

**Adjourn:** The meeting was adjourned at 8:06 pm.

Respectfully submitted by Mike Pennington-Martel, Secretary to the CPA.

**All CPA meetings are open to all who have an interest or stake in the poultry industry. All poultry producers are encouraged to attend and provide input to the business of the association.**
